Director's Welcome

Ahmedabad Art e' Fair - the 'e' in the Art e' fair stands for environment. And creating awareness for protection of environment, I believe, will be the central theme for the upcoming editions of the Fair.

Our aim is to provide exposure to promising artists at the AAF, where they would share platform with established as well as iconic artists. I want to bring to attention the first and biggest art fair to the every art lover in town.

I have been attending art shows at few metro cities for past few years, and I firmly believe we can create something of that scale in Ahmedabad too. Hopefully this event will help us take baby steps towards fulfilling that dream.

AAF is the first project initiated by my foundation (Petal Foundation). The foundation has been supporting NGOs for past few years. With the generous support of **AAF** sponsors if we generate profits, proceeds will go to the NGOs my foundation has been supporting.

Hoping to make **AAF** 2015 a success with support of my team members Ms Priya Adhyaru-Majithia and Ms Sonal Ambani.

Khushboo Bagga
Founder and Director
Ahmedabad Art e' Fair

Curator's Welcome

Curating the first edition of **Ahmedabad Art e' Fair** has been a learning and fulfilling experience that is both humbling and an honour.

I would like to congratulate Khushboo Bagga for daring to dream about the first art fair in city. And thank her for putting trust in me in carrying forward this mammoth task.

I express my heartfelt gratitude to every artist, exhibitor, sponsor and supporter for encouraging us in this unique endeavour.

Laying the foundation for the inaugural edition of any event, be it a festival or fair is quite challenging. I thank everyone associated with **AAF** 2015 for laying a solid foundation for this event. Your support is key to the success of **AAF** and I believe our togetherness will make **AAF** bigger and better every year.

Best wishes,

Priya Adhyaru-Majithia
Principal Curator
Ahmedabad Art e' Fair

Curator's Welcome

With Gujarat enjoying the world's attention as an emerging destination for art; we, with immense joy and pleasure welcome all the art enthusiasts and participants to the first edition of **Ahmedabad Art e' Fair**. The fair aims to play the role of a catalyst to help build interest and an understanding of art amongst a wider audience.

The objective of the fair is to provide a world class art fair environment and to showcase the very best of Indian Art.

Many of India's prestigious galleries, individual artists and prominent institutions have embraced the opportunity to be part of the Art-e-fair making Ahmedabad a vibrant and unparalleled art destination. As a sculptor, gallerist (Samara Art Gallery) and curator it's a pleasure to welcome you to **AAF!**

‘ I have long accepted that an art fair is not a perfectly curated museum show. Instead, it's more like a brightly lit bazaar, where art is haggled over and handled like any other commodity.
